The balance due of \$4.50 per pound, minus your deposit, will be due when you pick up your birds. *For example, if your chicken weighs 4 pounds the total will be \$18.00, less your \$8.00 deposit means you owe \$10.00 when you pick up your chicken.*

We will call you one week before your birds are butchered. You will need to make arrangements to pick up your birds at the farm—sorry, we can't hold them for you past Saturday and we can't deliver.
